

Dear Business Owner,

The Sacramento High School Dragons are excited about the possibility of having your business as a sponsor.

Sacramento High School is thrilled to extend two wonderful advertisement opportunities to your business.

- 1) For your generous donation of **\$500 dollars, a 3' x 5' vinyl banner**, bearing your companies name and logo will be prominently displayed at all Dragon home games in the big gym for the 2010-2011 school year. Additionally, your business name will be mentioned through-out the contest over our public address system.
- 2) For your generous donation of **\$500 dollars, you can advertise on our [www.sachighathletics.org](http://www.sachighathletics.org) website**. You will get a box that is 468 x 60 pixels and can be linked to your website if clicked. This will be displayed for the entire 2010-2011 school year.

Your vinyl banner and/or website banner will proudly demonstrate to this community that you support the youth of your community, and Sacramento High School Athletics.

I look forward to discussing the possibilities of your business advertising with us. Our website is one of the best high school websites in the area with our hit count increasing everyday. Also, the Sacramento High School Dragons basketball teams are usually the top teams in the area. We usually have around 500 to 1000 people at our home games. This may be a wonderful opportunity to generate new business while helping the youth in this community.

If interested in this program, please call or e-mail me at your earliest convenience.

Thank you again for supporting the Sacramento High School Athletics and the youth in your community.

Sincerely,

Justin Gatling
